ENABLING LEGISLATION

INVESTMENT POLICY

INVESTMENT OFFICER

The Budget Management Director, under the direction of the City Manager, is designated as the Investment Officer for the City of Jasper with the responsibility for the investment of all fund monies. Investment objectives are, in order of priority, preservation and safety of principal, liquidity, and yield.

RULES AND PROCEDURES GOVERNING INVESTMENT OF FUNDS:

The Investment Officer shall, from time to time, determine what funds are available to be invested.

Monies may be placed in money market funds, certificates of deposits, or invested in obligations of the United States or its agencies and instrumentalities. Secured time deposits must be issued by a state or national bank or a savings and loan association domiciled in this state and is guaranteed by the FDIC or its successor.

Funds of the City of Jasper will be invested in accordance with Texas Government State Law and as mandated by the City Council. The City's Investment portfolio shall be managed in such a manner as to attain a market rate of return throughout budgetary and economic cycles while preserving and protecting capital in the overall portfolio.

Unless otherwise stated, all investments shall be based on statutory constraints and subject to available designated staffing capabilities.

Investments are limited to accounts and certificates of deposits to be placed with local (Jasper) financial institutions.

MANAGEMENT REPORTS

At the end of each month, the Investment Officer shall prepare a written report concerning the current status and holding of investments for all funds. The report shall be submitted to the City Manager for approval.

INTERFUND TRANSFER POLICY

There are six departments within the General Fund which provide services to the Water and Sewer and the Light and Power Funds. The departments that are specifically identified are the Legislative, Administrative, Finance, Human Resources, City Secretary, Custodial, Animal Shelter, Municipal Shop, Parks and Fire Marshal.

On an annual basis, in preparing the budget, these departments' operational and maintenance budgets will be added together for a total of which each fund, the General Fund, the Water and Sewer Fund, and the Light and Power Fund will each provide 1/3 or 33.33% or more of the funding per department. The General Fund will pay the remainder.

The Water and Sewer Fund along with the Light and Power Fund will each provide their share of cost of services to the General Fund by means of a transfer of revenues. This transfer is to be included in each year's budget based on the departmental budgets listed above.

CAPITAL ASSET POLICY

A capitalized fixed asset is property, such as equipment, buildings and land, with a cost or value equal to or greater than \$5,000 at the date of acquisition, and an expected useful life of more than one year.

If a project consists of several components, then those components will be grouped together to complete the asset and the total of the cost will be the listed asset value.

Capitalized fixed assets are acquired for the use in normal operations and are not for resale.

Assets costing below the \$5,000 are expensed in the fiscal year of purchase and are not capitalized nor maintained through the fixed asset listing.

The only exception allowable is for the capitalization of low cost equipment for the initial outfitting of a tangible capital asset or operational unit, or an expansion or renovation to either. Equipment for this treatment should be budgeted and charged to the capital project as equipment.

Costs incurred to keep a fixed asset in its normal operating condition that do not extend the original useful life of the asset or increase the asset's future service potential are not capitalized. These costs are expensed as repairs or maintenance.

Property should not be transferred, turned in for auction, or disposed of without prior approval of the City Manager and Finance Director.

The method used to calculate depreciation will be the straight line method.

ORDINANCE NUMBER 9-19-22A

2022 TAX RATE ADOPTION

Whereas, a tax rate of \$.2554 for maintenance and operations and a tax rate of \$.0000 for interest and sinking fund are necessary and appropriate for the funding of the 2022 – 2023 City of Jasper budget and,

Whereas, said budget has to be heretofore regularly adopted by the City Council of the City of Jasper, Texas and,

Whereas, all other things required by law to be done, including published notices, have been done properly by the appropriate officials, and

Whereas, the City has not voted an intent to raise the rate above the effective rate, then

Now Therefore, it is hereby ordained, by affirmative vote of the City Council of the City of Jasper, Texas, that the 2022 maintenance & operations tax rate in the amount of \$.2554 per \$100.00 taxable value and the 2022 interest and sinking fund tax rate in the amount of \$.0000 per \$100.00 taxable value for a total combined 2022 tax rate of \$.2554 are ratified and adopted.
